Sponsorship Guidelines

1. Sponsor must be a member for one year prior to sponsoring a membership applicant.
2. Know who you are sponsoring and their horse.
3. You may only sponsor one applicant at a time.
4. For an applicant's qualifying ride to be considered qualified, their application for membership must have been received 30 days prior to the ride.
5. The sponsored membership applicant must attend at least one LV RIDE as a RIDER within their first 2 years while on applicant waiting list.
6. It is the sponsor's responsibility to inform their sponsored applicant of all quest rides and events for applicants while they are on the applicant waiting list.
7. Any changes in sponsorship must be given to membership VP, in writing or e-mail as soon as they are known.
8. When offered membership, a qualified applicant may pass on membership for personal reasons up to two times and retain current position on the qualified applicant waiting list.
9. A qualified applicant, declining the third invitation for membership will become disqualified and removed entirely from the applicant waiting list.

If sponsor withdraws sponsorship:

- a. Member/sponsor must submit letter to Membership VP stating they withdraw sponsorship. Copy goes to the sponsored applicant.
- b. If sponsor chooses to sponsor a new applicant, that applicant will be added to the waiting list in the order that the application is received by the Membership VP.
- c. If member chooses not to renew their membership, the sponsored applicant has 30 days to find a new sponsor and submit to Membership VP, and does not lose their place on the waiting list during this period.
